# Rock Run Inn

We invite you to take a moment to review a few reasons why our repast luncheons are worth considering:

## ♦ Delicious food

Our buffets provide a nice selection of delicious, freshly prepared food. Bar service is optional (please note that PA law requires all alcohol served here to be purchased here).

## ♦ Short notice is o.k.

We know that you have many decisions to make -- quickly. We can easily handle groups on short notice (as long as our room is not booked for another event).

## ♦ Pay only for the actual attendance

It is often impossible to know who will attend, so we ask only that you guarantee your low estimate (you will be charged for your low estimate or actual attendance, whichever is higher). There is no room charge. We request that you please ask your funeral director to call us with an *updated* guess as to the count two hours before your arrival.

## ♦ Private room

Our banquet rooms can accommodate 15 to 150 guests.

## ♦ No mess at your house

We handle all of the setup, service, and cleanup.
